

Re-registration for 2018/2019

Dear CLA Parents!

Please, please **do NOT delay in enrolling** your LB, K3, K4, K, & G1 child/ren. These classes are filling up quickly and we will have waiting lists for them soon! You will not want to miss out!

Open House was quite busy for these particular grades. Registration is OPEN to the public! Parents from outside CLA are very interested in sending their children here and quite a few have already enrolled! Also, there are even more parents that have expressed they will be enrolling. Hence the urgency for you to enroll your child/ren!

Mrs. Duncan G1

Our new first grade teacher is Mrs. Chelsea Duncan. Mrs. Duncan has a master's degree in education, experience in public schools as a long term sub, and a heart for the Lord and your students. She began in January as Mrs. Faurote prepares to move south.

This week, we welcome Mrs. Kristine Benton in our second grade as Mrs. Torres begins a new adventure working with Jericho Partner-

CLA Welcomes New Teachers! This year has seen some necessary changes in our First and Second Grade classes. I would like to introduce our new faculty members in those grades.

ship. Mrs. Benton is a long time 2nd grade teacher who retired last year from public school teaching. She is excited to get back into the classroom here at CLA. She is familiar with our school since she has 6 grandchildren here!

All the children are making the transition well with their new teachers. If you see Mrs. Duncan (no relation to Mrs. Mary Duncan) or Mrs. Benton, introduce yourself, and help them feel welcome.

Mrs. Benton G2
