

## March is Reading Month for All

We start out this month with Dr. Seuss Day. Yes, there are silly words and funny creations, but many of his, at least 42 books carry a message to the hearer. This week guest readers joined each classroom to celebrate Seuss' birthday. Grades 2-4 continue with their 40 book challenge. We have many avid readers who enjoy the challenge in reading

and learning about a variety of these types of books.

At home, share with your child about your favorite book! One of my favorites as an elementary student was My Side of the Mountain, by Jean George.

**Read a book together**—to quote a title from one of Dr. Seuss' books, "Oh the Places You'll Go" with a good book.

**Have fun with reading!**

The MORE that you READ, the MORE THINGS that you will know. The MORE that you LEARN, the MORE places you will go!
