

**Christian Life Academy
Grade 5 Summer Reading 2019**

Dear Parent of an incoming 5th grader,

While summer is a time for your child to relax and play with friends, it should also be a time to curl up with a good book and read. Summer reading is not only enjoyable –it is a must.

Studies have shown that when children read each day they learn to read faster and improve comprehension skills. If children don't read for a month or two, they are likely to lose a great deal of the progress they have made during the year. Children who read during the summer start school ready to continue their progress and adapt more quickly to their grade level curriculum.

During the summer we expect our 5th graders to read and enjoy books. The students are expected attempt to read the Summer Reading Challenge. Please see the attached.

I'm looking forward to seeing you in August!

In His Service,
Mrs. Mitchell
