

Dear Parents & Students,

We are so excited to kick off the summer season with our 2023 reading program. We are asking that students grades K - 5th keep a reading log throughout the summer, documenting the books and articles they read.

Students have the opportunity to earn free dress down days. For every 8 books/articles read and recorded in the summer reading log, students will receive a free dress down day voucher that they may use during the 2023-2024 school year!

Please scan the QR codes below to download the summer reading log.

Happy reading!
