

Dear Parents & Students,

We are so excited to kick off the summer season with our 2021 reading program. We are asking that students grades K-4th keep a reading log throughout the summer, documenting the books and articles they read. Reading logs will be sent home in the last Friday Folders of the 2020-2021 school year.

For every 8 books/articles read and recorded, students will receive a free dress down day voucher that they may use during the 2021-2022 school year!

If you would like some ideas for reading-level appropriate books we have provided lists on our website.

Happy reading!  
Christian Life Academy
